

JOÃO MINISTRO

I'm passionate about software development, with a strong orientation towards personal and professional growth. I enjoy facing challenges through problem solving to create useful solutions.
I'm always looking to make meaningful contributions.

PERSONAL

- 925476693
- danmacmin@gmail.com
- www.linkedin.com/in/joaoministro

SKILLS

- C# (.NET)
- SQL
- JavaScript, HTML, CSS
- React

LANGUAGES

- Portuguese — Native
- English — Proficient

EXTRACURRICULAR ACTIVITIES

Portuguese Legislature

- 2x Member of the polling station.

Summer Holiday Program 2022

- Served as a monitor in Braga's summer holiday program, supervising children aged 6 to 14 in accessing the municipality's swimming pools free of charge.

PROFESSIONAL EXPERIENCE

Software Developer

CMW Foundries | Jan. 2025 – Present

Built C# desktop solutions enhancing production data registration and monitoring process times to optimize operational workflows.

Gained valuable insight into the challenges of real-world industrial operations.

PERSONAL PROJECTS

HelpDesk and E-commerce WebApps

Backend: Express.js, Sequelize, JWT authentication

Frontend: React, Tailwind

Other technologies: RESTful API, MVC and automated tests (Jest, Supertest).

Personal Website

Created a personal portfolio website to showcase projects and skills.

Distributed Inventory System

Client-server model implementing Java Socket and Remote Method Invocation.

It enables multiple users to interact with the system through a text-based console interface.

EDUCATION

Bachelor's degree in Information Systems Engineering and Management

University of Minho • sep. 2021– jun. 2024

Developed my passion for software development which led me to find a job in this area.

In addition to technical skills, I made some new friends and participated in lots of academic events, enhancing my interpersonal skills such as communication and teamwork.
